William Academy, Your Path Towards a Top-Tier University!

Welcome To William Academy!

William Academy is a co-educational private school focused on providing education for international and local students in Canada. It is listed on the Ministry of Education's website with BSID number 668187. The School has two campuses located in Toronto and Cobourg, Ontario, Canada. Our school delivers the grade 5 – grade 12 Ontario Curriculum following the mandate of the Ontario Ministry of Education.

Our core values revolve around providing a professional, learner-centered, innovative learning experience for our students. At our school, we believe in the important of quality teaching and of focusing on the individual needs of our students. This is realized through having small class sizes which allow our teachers to better monitor the progress of individual students and identify their strengths and weakness closely. This knowledge is then utilized to design a customized learning program that really ensures student success. William Academy teachers are members of the Ontario College of Teachers and deliver the curriculum using current best practices in the field. By utilizing collaborative learning opportunities and authentic learning experiences, our highly qualified teachers not only prepare our students for entrance to a wide range of prestigious universities both in Canada and abroad, but also inspire them to become conscientious leaders in their chosen field.

Scarborough Campus:

Our Scarborough campus is located at 3761 Victoria Park in North York, Toronto, close to many local and cultural amenities. The school offers a range of classes from Grade 5-12, including university preparatory courses, art programs, sports programs, as well as AP courses. The Scarborough campus provides an excellent academic environment for students pursuing careers in the Arts, Business and Engineering.

The guidance office assists students with the university application process, providing the knowledge and insight to help students achieve their goals of attending entrance into Canadian post-secondary education. As a result, our Scarborough campus is well known for its graduate with 96% of students attending top-tier universities.

William Academy, Preparing Tomorrow's Global Leaders!

William Academy

Cobourg Campus

William Academy Cobourg Campus offers a wide range of classes from Grade 5 to grade 12 based on the Ontario Curriculum and AP programs. It was originally established in 1901, and was the first public high school in the area. The total square footage of the teaching facility is 86000 square feet (8600 square meter), including two gyms, a dance studio, and a music room. The school can accommodate over 500 students with a lovely school cafeteria with a dormitory on site able to accommodate approximately 200 students.

Cobourg is one hour from Toronto and in close proximity to University of Toronto and Queen's University - two of Ontario's oldest and most distinguished universities. Our school is located just a few steps from the iconic Victoria Hall, built in 1860 and opened by the Prince of Wales before Canada was a country.

**William Academy – Cobourg
Welcomes students from all over the world.**

William Academy Cobourg is only 300 metres from one of the nicest beach fronts in Ontario. Cobourg is a wonderful place for international students to learn about Canadian culture, history and identity.

Student dormitories and cafeteria are second to none. William Academy provides students an ideal environment for living and studying with both independence and supervision.

What are the advantages of studying in Toronto, Canada?

Canada has many world-renowned universities and specialized degree programs. It has well-rounded social and healthcare systems, and a safe environment.

Canada has an open immigration policy where students are allowed to apply for a working visa while studying.

William Academy, Your Pathway to a Prestigious University!

Toronto is the financial centre of Canada with bright prospects for employment.

Upon graduation, with one (1) year of working experience in Canada, students can apply for Canadian permanent residence, as well as family reunion and parental visits.

Why choose William Academy?

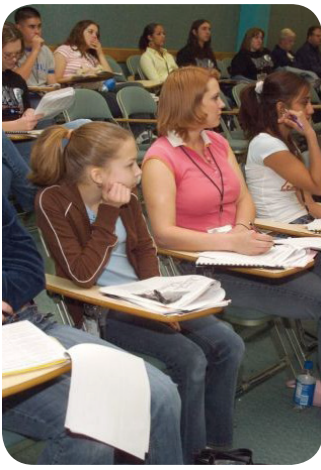

- The school is registered with the Ontario Ministry of Education
- 96% of our graduates are accepted into Canadian post-secondary education
- Our credits are accepted by all American/Canadian universities
- Well-known AP program, Springboard Program, Arts & Athletic Program
- International boarding school with experienced guidance teachers

Principal Louis

Principal Power

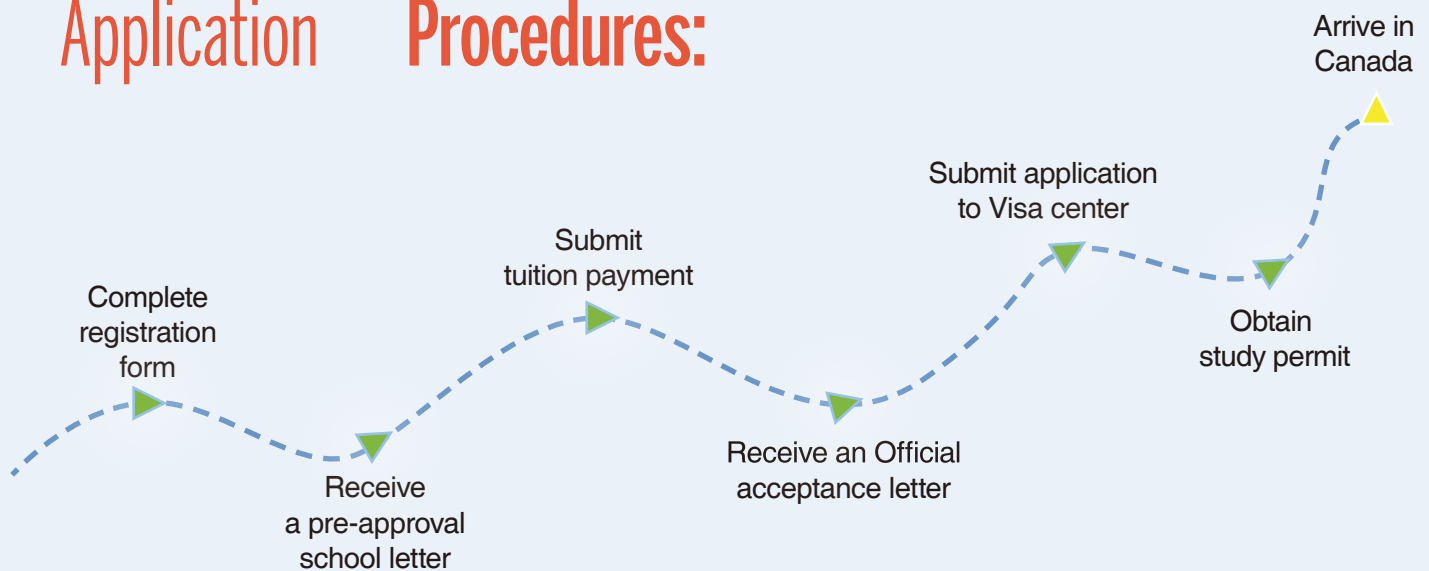

William Academy offers comprehensive programs and courses for Intermediate and high school students (Grades 5-12). As an inspected private school, William Academy strictly follows the curricular guidelines, policies and expectations outlined by the Ontario Ministry of Education. Students can select their courses according to their interests and pace their studies within their academic capabilities. Onsite tutors and dedicated staff enable them to achieve their full academic potential during their stay at William Academy.

For students who come to Canada for short term study, exchange programs or Summer camps, they can study in a fully integrated program with Canadian students. ESL programs are available to support the needs of international students. William Academy also offers IELTS training, and is an IELTS authorized test center.

Effective Education

At William Academy, our mission is to effectively improve our students' grades to inspire them to reach their full potential and fulfill their dreams of a better future in North America.

Individualized Learning

We ensure academic, social, and character development of our students by offering them a challenging yet supportive learning environment. We recognize that students are unique individuals who should be provided with learning opportunities that cater to their specific needs. The success of our students is a reflection of the dedication of our teaching staff and of our school's focus on student-centered learning.

Dedicated Councilors

We will help students with course selection and planning to ensure success.

Our Programs

The established programs and courses of our school are suitable for students from Grades 5 to 12. We also offer IELTS/ TOEFL and English language courses for international students.

Arrival Services

We know it's not easy to leave your home to study in a new country that is why we offer airport pick up service to students who may need it. Our Guidance Counselors will assist every new student with opening a bank account, signing up for a cell phone plan, activating health insurance, applying for a library card, and touring around Toronto and Niagara Falls. We make sure students feel safe and comfortable as we try to make them feel at home in a foreign environment.

International Arrivals

Medical Insurance

Health and medical costs are very expensive in Canada. Medical coverage available to international students vary from province to province. In the provinces where international students are not covered under the provincial health plan, students must arrange for private health insurance. In the province of Ontario where the Ontario Health Insurance Plan does not cover international students, it is mandatory that every international student has medical coverage once they arrive. At William Academy, we have access to medical services to guarantee that our students are insured from the beginning of the school term. We make sure that our students are covered for hospital, laboratory, emergency, and clinical services among others.

Custodianship

At William Academy, we also provide custodianship services if necessary. We ensure that your child is well cared for in Canada, giving parents much needed peace of mind. To keep the lines of communication open, we communicate with parents monthly to let you know how your child is doing in class and give suggestions for how you can support your child from overseas.

Activities and Clubs

We have scheduled trips and outdoor activities during weekends, such as skating, swimming, BBQ, beach volleyball and so on. To help students acclimatize, we also have planned trips to Niagara Falls, Quebec City, Montreal and some other tourist attractions over the summer. Our clubs are organized and led by our students with teacher supervision. We have self-discovery clubs, fundraising clubs, and team building clubs. We also have sports clubs such as badminton, tennis, soccer, basket ball, dance, hockey, golf, and so on.

Community Service Program

This program gives students many opportunities to volunteer at community service centres allowing them to earn community service hours, which is a prerequisite for high school graduation. By volunteering in the community, students are also able to raise their social awareness and gain valuable work experience.
